

It is that time of year! Consider donations you can contribute to this event. Gently used clothing, outerwear, shoes, toys and picture books are well received. Grocery bags are handy.

Please include this in November and December newsletters. Postcards and posters will be available early December.

Community volunteers are welcome to assist with set up Wednesday afternoon, 12/18 as well as to host during the event, 12/19. Volunteers can be directed to Crystal Abbe
